Morning All,

You already have a copy of Ms. Goldman's testimony; she submitted it prior to the hearing. But I forgot to include in the packets sent yesterday.

Please let me know if you have any questions.

Thank you.

**Subject:** Public Comment - July 17 Hearing (1 file)

Good afternoon,

Attached is a condensed (zipped) public comments folder that includes scanned copies of oral testimonies submitted, scanned copies of written comments submitted to the docket box, final speaker, attendee and press lists, scanned copies of the original check-in/sign-in sheets.

Please note that I plan to follow up with the court reporters to see if they received any copies (while at the hearing) that were not provided to us (or that we are missing).

Please let me know if you have any questions or concerns.

Thank you and have a great day.
